HAPPY HALLOWEEN FROM

MEET PANDADUDE

Carter, age 8, printed everything here in his garage.

PandaDude Products is his kid-run 3D print shop in Forsyth County: articulated dragons that wiggle, curl and click, printed one thin layer at a time.

"Stay cool. Stay printed."
— PandaDude, Boss Panda

Dragon designs by Cinderwing3D, printed and sold under license. Small parts: not for kids under 3.
